

Paradise air™

AIR FRESHENERS CATALOGUE

ABOUT US!

Why Paradise Air?

- The Paradise Air team has a combined 60+ years of experience formulating, manufacturing and selling air freshener products across the globe
- Made in the USA. Paradise Air blends all fragrance oil and manufactures products in Palm City, Florida
- Fully equipped in-house lab for fragrance R&D and quality control
- Paradise Air factory is ISO 9001:2015 certified for Quality Management Systems
- Product and packaging programs tailored for customer success

PLATINUM SERIES™

As we embarked down the path of creating a new air care brand, utilizing our years in the industry, we asked ourselves, what was the one thing that our most loyal customers would look for in the line. The answer was always the same. Quality. If you are going to do it the same, don't waste your time. Make a brand that would stand out and immediately be seen as best in class. Platinum Series was then born.

State of Business in 2022

- Paradise Air currently has distribution in 50+ countries
- We have just rolled out to over 30,000 chain stores in the US over the last 3 months
- No Supply Chain Issues since we make everything in our factory in the USA
- Recently Added the Oil Based Gel line that we will use to add the new items in 2022
- We have already started working on additional items for the back half of 2022 in Vent, Novelty and Spray.
- The Super Organic is our fastest growing item behind the Organic Can.
